SUBJECT: Quarterly Station List (U)

Commanders of USAREUR Major Commands and Assigned Units and Activities (to Division Level)
Heads of Staff Offices, This Headquarters

This letter expires 30 June 1974.

1. This station list (clas), as of 1 January 1974, is in five sections as listed:

a. Section I–USAREUR units in name sequence.

b. Section II–REFORGER units in name sequence.

c. Section III–DA units in name sequence.

d. Section IV–USAREUR labor service and civilian labor groups in name sequence.

e. Section V–USAREUR units and USAREUR labor service and civilian labor groups in UIC sequence.

2. Requests for corrections to the unit name, UIC, or station should be forwarded to the Commander in Chief, USAREUR (AEAGC-OCO). Location and Army post office (APO) are extracted from the FORSTAT and morning reports respectively.

3. This document is releasable into NATO channels. This information is furnished with the understanding that it will not be disclosed to any non-NATO nation without the consent of the United States; that it will not be used for other than military purposes; and that the information will be accorded substantially the same degree of security protection as such information has in the United States. This information will be used only on a need-to-know basis under applicable NATO regulations as a NATO CONFIDENTIAL paper and will not be further disclosed without specific approval of this headquarters.

4. This letter is UNCLASSIFIED.

NOTE: The Hierachy Code is provided in the Station List to assist the user in determining the major unit to which an organization is assigned/OPCON. As the number of organization levels vary in USAREUR commands, the code is not designed to associate a level of command (e.g., company, battalion, brigade) with a specific position within the code.

This breakout of command codes is UNCLASSIFIED.
