SUBJECT: Quarterly Station List

TO: Station List Users

1. This list shows organizations arranged in unit number sequence within each of the following sections:

a. Section I--USAREUR Active Army units.

b. Section II--USAREUR units with no assigned personnel.

c. Section III--DA units.

d. Section IV--Labor service and civilian labor groups.

2. Those unit identification codes (UIC) identified by an asterisk have been assigned to provide for unit reporting as a whole. Addressees will use this UIC when a report includes all subordinate elements of a battalion, squadron, brigade, group, regiment, division, corps, or army.

4. The following instructions apply:

a. Do not use in UNCLASSIFIED correspondence or documents originating in this command the suffix (parenthetical) designations listed for guided missile, free rocket, ordnance missile support, and heavy artillery units, or units supporting the non-US NATO special ammunition storage (SAS) program.

b. Forward requests for changes in distribution or corrections to this list through command channels to this headquarters (Attn: AEAAG-U).
