SUBJECT: Quarterly Station List (U)

Commanders of USAREUR Major Commands and Assigned Units and Activities (to Division Level)  
Heads of Staff Offices, This Headquarters

1. This station list (clas), as of 30 September 1972, is in four sections, as listed, with TOE/MTOE units arranged in unit number sequence and TDA units arranged in UIC sequence:
  - a. Section I-USAREUR units.
  - b. Section II-REFORGER units.
  - c. Section III-DA units.
  - d. Section IV-USAREUR labor service and civilian labor groups.
2. This list includes titular organizations and those organizations with a Morning Report Indicator Code (MRIC).
3. Command codes are as established in FORSTAT. A breakout of the major subdivisions of the command code is provided on the inside of the rear cover.
4. Requests for corrections to this list should be forwarded to the Commander in Chief, USAREUR (AEAGC-OCO).
5. This document is releasable into NATO channels. This information is furnished with the understanding that it will not be disclosed to any non-NATO nation without the consent of the United States; that it will not be used for other than military purposes; and that the information will be accorded substantially the same degree of security protection as such information has in the United States. This information will be used only on a need-to-know basis under applicable NATO regulations as a NATO CONFIDENTIAL paper and will not be further disclosed without specific approval of this headquarters.
6. This letter is UNCLASSIFIED.
